

CRSS ANNUAL MEETING

Thursday, January 9th, 2014 6:15-7 p.m.

CRSS Annual Meeting is an informal time for parents and community members to talk with CRSS Board members (including incoming members) and to see student work displayed. The CRSS Annual Meeting is held in conjunction with a Family Astronomy Night and the CRSS Board Meeting. Come to see student work displayed, view a year in review slide show, view our all school Olweus Kick-Off video, and meet the CRSS Board and staff. Families are welcome to then partake in the Astronomy event, or to stay for the CRSS Board Meeting starting at 7 p.m.

Refreshments will be served.
