At Cannon River STEM School, adults and children alike aspire to become excellent questioners, able to investigate the world with confidence and character. We are a K-8 public charter school in Faribault, MN with an emphasis on science, technology, engineering and math.

Cannon River STEM School's mission is to foster each student's innate curiosity and joy of discovery. We prepare students to become excellent questioners, scientific thinkers, and responsible citizens, who are able to contribute to the world with confidence and character. We achieve this through student-centered, collaborative and experiential learning, with an emphasis on the environment as an integrating context.
